

# HRD-ONLINE – FINANCE TRAINING PORTFOLIO

This is a portfolio of 7 Financial training programmes for *self-learning*.

The prime objective is to provide a very cost effective learning solution for personnel working within finance and perhaps seeking underpinning knowledge that could contribute towards a qualification, but the programmes are equally attractive to the generic student wanting a good appreciation of finance subjects.

The subject content of each Financial training programme is:

**1. FM1 – Understanding accounts:** contains the following ebriefings:

- o Financial awareness - 2 CPD hours
- o Accounting within the organisation - 3 CPD hours
- o Balance sheet - 3 CPD hours
